

ALT ON BOARD

**This March the 8th the Soul Train is coming into town
So to show what 'EQUALS' looks like, step up and get on down**

As a woman, as a daughter,
As a man who gives a damn
Find an equal partner of the opposite sex
And together take a stand.

**All board the soul train, in your suit, with babe in sling
Out with friends or on a date, join in and do your thing**

Do the dad dance or the ballet prance, the sexy salsa slide,
Dance together anyhow, but do it side by side.

A rhythm riot, a musical march
Let's make it loud and clear
We're dancing for equality
And we want you all to hear...

**This is just the warm up, showing together it can be done
Equality in the real world, tomorrow will be won!**

**EQUALS SOUL TRAINS WILL BE GROOVING
ALL ACROSS THE GLOBE ON**
